### Research material request form

I am requesting permission for the release of research material from the collection of the AMU Botanical Garden in form of:

.....  
.....

quantity: .....

As a condition of release for any material I hereby agree to comply with the following requirements:

- 1/ the material is to be used solely by noncommercial institutions and for scientific, research, didactic and educational purpose;
- 2/ if commercial use of obtained research material (as well as its products and research results) is planned, the institution requires prior permission of the UAM Botanical Garden, since the principles for the commercial use of research material underlie international conventions and the Botanical Garden is obliged to abide by them;
- 3/ if the results of a research conducted with the use of the material obtained from the Garden are to be published, the institution is to name the source of the material and provide the Garden's library with a printed version of the publication.

.....  
Date and signature of the requester
